Report of Principal and School Improvement Council

The 2009-2010 school year was a very successful one for Fulmer Middle School both academically and athletically. Our school was recognized as a Palmetto Gold and Silver Showcase School by the State Department of Education and our athletic teams won two district championships. We also were runner-ups in the Palmetto Athletic Conference in football and volleyball. We were excited to learn that our school was one of three to earn an overall school rating of "Good" out of our comparison group of 58 middle schools like ours. In addition, we continue to be recognized as a South Carolina Red Carpet School.

Our fine arts department continued to shine in all areas. The visual arts department had one student win awards at the State Fair Art Show and many others had their art displayed. The band received an "Excellent" rating at the SCBDA Concert Festival. Our band, chorus, and strings students won numerous "Superior" and "Excellent" awards at their respective Solo and Ensemble competitions. In addition, we had students selected for All-State and Region Bands.

Our Technology Student Association continued to make us proud by finishing second overall at the State competition. Numerous students finished the competition as first and second place winners. In addition, our Gateway To Technology program continues to prepare our students for future engineering opportunities and these students were rewarded with a MCEC Bright Ideas Grant.

Our students continue to achieve academically. We had two students qualify as Duke TIP Scholars, eight students qualify as South Carolina Junior Scholars, eleven qualify as Myrdis Walker Scholars, and over ninety-five students qualify for Junior Honor Society. Our teachers continue to collaboratively plan their instruction and create common assessments to assess students' mastery of the content standards. Using Mastery Manager, teachers evaluate their test results to know which content areas and students need additional time. This is just a small part of our emphasis on providing our students with a guaranteed and viable curriculum.

Our outstanding faculty and staff includes nine National Board Certified teachers and one NBCT candidate. Jennifer Brucker, one of our special education teachers, represented Fulmer Middle School as our Teacher of the Year. Our staff also continued our partnership with the University of South Carolina by serving as both a practicum site and clinical site for future teachers.

At Fulmer Middle School, our focus is student learning, which is achieved through the partnership and collaborative efforts of teachers, students, and parents. We will continue to analyze our assessment data for the purpose of improving our practices and to ensure that we reach our achievement goals as we continue our efforts as a true Professional Learning Community.
